Document No. 028

Executive Assistant to DCI NO CHANGE in Class. 1 February 1952

DECLASSIFIED

Class. CHIEF (G): TS S (C)

DIA Name, 2 Apr 77

Auth: DIA MSG. 77/1763

Date: 24/01/78 By: 008

1. Working level requests have been received from OPC and DO concerning assignment of small numbers of their draft eligible employees to basic, OCS and other appropriate military training under the current CIA-Services agreements. Testing and other preliminary arrangements have begun.

2. Chief, Testing and Assessment Division of O/TR (G), with my approval, granted an interview to the Chief of the Employment Branch of the Department of State. The purpose was to explore various assessment procedures that might aid the Department of State. From this interview it appears that:

a. The Foreign Service is finding it increasingly difficult to attract candidates to the FSO program whereas it is relatively easy to get internees for the departmental program.

b. The State representative is interested in promoting an assessment program for the FSO's and for the internees.
